

Activity Kit

Count your way through the *One Tomato* garden
with these playful activities!

***One Tomato* makes learning fun with a colorful walk through the garden!
Watch for the sneaky yellow dandelion while counting the vegetables
one to ten. Ants, moles, bees, and other garden dwellers join in the fun.
Read *One Tomato* aloud then explore these fun activities.**

One Tomato \$8.99 (ISBN 978-1-947141-59-9) Rubber Ducky Press, distributed by Cardinal Publishers Group 800-296-0481

To assemble the dice, cut
 along the dotted lines. Fold
 along the solid black lines
 until you have a cube shape.
 Use clear tape to fasten the
 edges together.

Cut out bees to use as your
 place marker.

My Garden Matching Game

Print this page on card stock using a color printer. Cut the cards on the dotted lines. To play: Shuffle the cards and place face down. Take turns turning over two cards at a time. If the images on the two cards match keep the cards and take another turn! If the images do not match return the cards face-down where they came from, and the next player takes a turn. The player with the most cards wins the game!
